List of Contributors vii

Acknowledgments xi

- 1 The Path to the Public Health Recognition of Depressive Disorders 1
Neal L. Cohen, MD

PART I IMPACT

- 2 Depressive Disorders: Presentation, Classification, Developmental Trajectories, and Course 13
Daniel C. Kopala-Sibley, PhD, and Daniel N. Klein, PhD
- 3 The Burden of Depressive Illness 40
Ronald C. Kessler, PhD, Evelyn J. Bromet, PhD, Peter de Jonge, PhD, Victoria Shahly, PhD, and Marsha Wilcox, EdD, ScD
- 4 The Burden of Comorbidity: Depressive and Physical Disorders 67
Sergio Aguilar-Gaxiola, MD, PhD, Gustavo Loera, EdD, Daniel Vigo, MD, and Kate Scott, PhD
- 5 Substance Use and Depressive Disorders 89
Jacqueline L. Meyers, PhD, and Deborah Hasin, PhD

PART II INFLUENCES

- 6 The Social Epidemiology of Socioeconomic Inequalities in Depression 117
Helen Cerigo, MSc, and Amélie Quesnel-Vallée, PhD
- 7 Maternal Depression and the Intergenerational Transmission of Depression 147
Constance L. Hammen, PhD
- 8 The Influence of Stigma for Depression Care 171
J. Konadu Fokuo and Patrick W. Corrigan, PsyD

PART III RISK, STRATEGIES, AND INTERVENTIONS

- 9 Youth Depression: Public Health Implications and Strategies to Address the Problem 189
Jennifer L. Hughes, PhD, and Joan Rosenbaum Asarnow, PhD
- 10 Understanding Adolescent Suicide 211
Regina Miranda, PhD, Ana Ortin, PhD, Lillian Polanco-Roman, MA, MPhil, and Jorge Valderrama, PhD
- 11 Interrelationship of Suicidality with Depressive Disorders and Its Implications for Suicide Prevention Strategies at the Population and Individual Levels 239
Beth Han, MD, PhD, MPH, Wilson M. Compton, MD, MPE, and Richard McKeon, PhD, MPH
- 12 Mindfulness-Based Approaches for Promoting Mental Health in Urban Youth 263
Tamar Mendelson, PhD, and April Joy Damian, MSc
- 13 Maternal Depression in Pregnancy 281
Amelia R. Gavin, PhD, and Rebecca Rebbe, MSW
- 14 Racial and Ethnic Disparities in Depressive Illness and Clinical Care: Challenges and Solutions toward Equality in Care 313
Alfée M. Breland-Noble, PhD, MHSc, and Jeanne Miranda, PhD
- 15 Public Health Perspectives on Depression in Primary Care 332
Trina Chang, MD, MPH, and Albert Yeung, MD, ScD
- 16 A Twenty-First-Century Public Health Challenge and Opportunity: Addressing Depressive Disorders in an Aging Population 360
Neal L. Cohen, MD
- 17 The Digital Revolution and Its Potential Impact on Detection and Treatment of Depressive Disorders 380
Charles Platkin, PhD, MPH, Alissa R. Link, MPH, and Amy Kwan, MPH
- 18 Preventing the Onset of Depressive Disorders: An Overview 411
Pim Cuijpers, PhD
